## GLOBAL OUTREACH NEWS

### THINKING AHEAD...

It's hard to believe that we are already planning out our end of the year teams! We are excited about two trips in particular. This October we will be sending a team to Chile to work with our long-time partners there on the ground. And in December a team will head to Japan to encourage and work with our partners who will just have returned from furlough. We encourage you to be praying and considering if God would have you join one of our teams!
