

## **Steps to Baby Dedication at Canyon Hills Community Church**

1. Welcome to the first step in dedicating your baby at Canyon Hills Community Church. Part of the parental participation and commitment to raising your child in a Christian home and to be a follower of Jesus, is that you and your spouse have become members of Canyon Hills. It is important for both of you to dedicate yourselves to being part of the family of God. We encourage that your baby is dedicated in their first year.
  - If you are not currently members, please contact Leisa at [leisac@chccb.org](mailto:leisac@chccb.org) for more information about the membership class.
2. The second step is where and when your baby will be dedicated. Baby dedications are celebrated in our CHCC Life Groups. This is an opportunity to gather with your Life Group, family and close friends and pray over your child with those who will be doing life with you. Dedicating a child is really telling those around you that you want their help to hold you accountable in praying, guiding, and raising your child to follow Jesus.
  - Your Life Group leader or the Elder who oversees your Life Group will perform the dedication. The dedication will take place where your Life Group meets.
  - Your individual Life Group Leader will help you schedule a time for your baby to be dedicated.
3. If you are not part of a Life Group, that is the next step for you to take. Here are some options:
  - You can pick up a brochure from the Life Group display in our main church lobby.
  - You can call or email Christina Jenkins at the church at 425-488-4121 or [christinaj@chccb.org](mailto:christinaj@chccb.org) for Life Group information.
4. You will receive a beautiful certificate and a baby Bible from Canyon Hills at the time of the dedication.
5. If you have any further questions please call or email Christina.

***Blessings to you and your family from Canyon Hills Community Church!***
