Isaiah 6:1-8 January 2, 2022

START TALKING | asking questions to get you thinking.

1. The Bible is full of examples of people who lived a good life but messed up by turning temporarily stupid; please share an example that stands out to you.
2. Why did this example stand out to you and what did you take away from it?

START SHARING | asking questions that engage with the message.

Please read Isaiah 6:1-8

3. According to Pastor Steve what are the seven attributes of God revealed in these scriptures?
4. According to Pastor Steve, God is alive; what three ways can we see God?
5. Isaiah said, "I saw the Lord seated on a throne" (verse 1). According to Pastor Steve, what does the throne represent?
6. According to Pastor Steve, God is transcendent. Why did he choose this word to describe God?
7. How does God's gloriousness complete His holiness?
8. Please read Isaiah 6:5-7, Matthew 12:34, Hebrews 4:13, Isaiah 64:6 and John 3:16. Just like Isaiah we are all in need of being rescued. Compare and contrast Isaiah's redemption experience to ours.

START LIVING | asking questions that apply God's Word to daily life.

9. Isaiah goes from – "I am dead" to "Here am I. Send me" and from "Shut my mouth" to "Use me." Write a prayer asking God's direction in how you can better serve Him.
