## SERMON NOTES

### God's Everyday Grace for Missions

*2 Corinthians 12:7-10 June 11, 2023*

START TALKING | asking questions to get you thinking.

1. How many people in the world have little or no access to the Bible, other Christians or the Gospel?
2. Why do you think that many churches in the U.S. are no longer sending missionaries?

START SHARING | asking questions that engage with the message.

Read 2 Corinthians 12:7-10.

3. God's grace did more for Paul than save him. Describe how Paul was able to continue in ministry. See 2 Corinthians 11:23-29.
4. Pastor Steve said that grace moves the last in line to the front of the line. How did this happen for:
  - a. The Samaritan woman (John 4:7-29)
  - b. Peter (Matt 26:33-35, Acts 4:13).
  - c. Mary Magdalene (Luke 8:2, John 20:11-18)
  - d. Mary (Luke 1:26-38)
5. How does marginalizing ourselves and the world prevent missionary activity?
6. How did the grace given to Paul enable him to face the unknown (Acts 20:22-24).

START LIVING | asking questions that apply God's Word to daily life.

7. Where have you found everyday grace to continue on in ministry here or overseas?
8. How are you going to respond to Pastor Steve's challenge to be a grace-filled ambassador?
