## Inside the Throne Room of God – Revelation 4

June 16, 2024

### **START TALKING | *Get your group thinking.***

1. Think about how you would describe a beach, a mountain, or a city to a blind person. Share the insights you gained attempting to convey the unseen just as John grappled with describing the throne room in Revelation.
2. Imagine standing at the threshold of eternity and experiencing the throne of Jesus. What emotions and thoughts would fill your heart and mind?

### **START SHARING | *Get your group engaging with the message.***

Read Revelation 4:1-11

3. How did Pastor Steve relate the jewels in Revelation 4:3a to God's love? What impact of God's love did he ascribe to John 3:16-17 and Ephesians 2:4-5 regarding our understanding of salvation and grace?
4. How does Jesus' promise in John 14:1-3 intersect with the rainbow in Revelation 4:3b as a symbol of God's covenant and faithfulness, as mentioned in Genesis 9:8-17?
5. Please read Revelation 4:4-6, 10 and Psalm 2:1-5. What do these symbols and God's response to the nation's anger and futile plans reveal about His power and sovereignty?
6. What insights can we glean from the role of the living creatures and elders described in Revelation 4:7-11, and what does their continuous worship suggest about the authority and holiness of God?

### **START LIVING | *Get your group applying God's Word to daily life.***

7. In what ways do you currently need a heavenly perspective to keep your eyes fixed on Jesus?
8. How can the reality of eternity actively guide your life and the decisions you make?
